**SMYRNA PAINT TRAINING DEFINITION	

- Make a current plan
(Red marks on ILU showing training)
- List a Future plan
(Think long term, something not showing as current)
- Explain why training was missed and reschedule
(Use the remarks boxes)
- Train all new techs on “C” level jobs
(Reference your ORT the SOSS for Rankings)

ILU Levels - Detailed Criteria	
I	• The operator follows and has signed off on the zone specific safety rules. • The operator was trained using the 3 step training at the workstation. • The operator demonstrates the SOS standards. • The operator knows the key points and reason for key points and other relevant information. • The operator can maintain quality standards. • The operator knows help call & how to act in case of defect. • The operator knows the 4 Principles of Motion Economy. • The operator can achieve tact time in normal condition.
L	• Operator meets "I" level criteria. • Operator can propose improvements to the instructed SOS to his/her supervisor. • Operator meets "I" level criteria and demonstrates key points of SOS. • Operator knows the 4 principles of motion economy and can detect waste. • Operator can complete standard operation within target time.
U	• Operator has completed 3 step training. • Operator can instruct others by using 3 step teaching method while following SOS. • Operator meets "L" level criteria and can propose key point improvements. • Operator meets "L" Level criteria and can improve waste observed. • Operator meets "L" Level criteria and can propose improved target time.

SPECIAL JOBS CRITERIA #2	
I	• Requirement 1 • Requirement 2 • Requirement 3 • Requirement 4 • Requirement 5 • Requirement 6
L	• Requirement 1 • Requirement 2 • Requirement 3 • Requirement 4 • Requirement 5 • Requirement 6
U	• Requirement 1 • Requirement 2 • Requirement 3 • Requirement 4 • Requirement 5 • Requirement 6

SPECIAL JOBS CRITERIA #3	
I	• Requirement 1 • Requirement 2 • Requirement 3 • Requirement 4 • Requirement 5 • Requirement 6
L	• Requirement 1 • Requirement 2 • Requirement 3 • Requirement 4 • Requirement 5 • Requirement 6
U	• Requirement 1 • Requirement 2 • Requirement 3 • Requirement 4 • Requirement 5 • Requirement 6
